

WHO IS THE ?

ation of perjury in connection with her alleged influencing of Joseph Johnson, confessed purrurer, to testify for William H. McGannon, former chief justice of the municipal courts, during his trials for the murder of Harold C. Kagy, was scheduled to go on trial this afternoon. Johnson, who is in jail awaiting sentence, will be the chief witness for the state.

KNIFE ONLY CLUE IN FETT HOLDUP

Dropped by Bandits Who Bound
and Robbed Brothers

BACHELORS KEPT BIG SUMS

Sheriff Baxter Seeks Master Mind
in Case

A small white pen-knife, dropped by the robbers who visited the home of Samuel and Jacob Fett, bachelors, near Bluffton, Friday night, is the only clue found which might lead in any way to identification of the bandits.

The knife bears no initials, but is a silent memento of the robbers' visit. Altho Sheriff Baxter has carefully looked over the premises, there is no trace of anything upon which he may work to round up the offenders.

MASTER MIND IN CASE.
"I intend to keep after it, and I hope to land the offenders ere long," Sheriff Baxter said Tuesday. "I am convinced that whoever it was, the master mind is that of a person fully conversant with that neighborhood. They may not have been on the ground, but they directed," the sheriff said.

It is a well-known fact in that part of the county the Fett brothers have money. While both denied to the sheriff they kept any but small amounts around the house, yet in days of long ago it was known large sums were concealed about the premises.

HAD BIG SUMS OF MONEY.
One farmer told Sheriff Baxter that while the Fett brothers' parents were living he often went there to secure loans and funds. The aged wife and mother would always go to the milk house, in the rear of the summer kitchen, be gone a few minutes and return with the money.

The Fett brothers buy notes of all kinds and deal in mortgages. Their farm consists of 80 acres of land. The bandits secured \$2,000 in Liberty bonds, \$140 in money and a certificate of deposit for \$100 on the Commercial bank of Bluffton.

HOLDUPS ROB AN AUTO PARTY

Watch Taken From T. E. Gagin,
at Kissing Hollow

Police Tuesday were without a clue as to the identity of three masked highwaymen who held up three young Lima men shortly after 10:30 o'clock Monday night, near Kissing Hollow, on the N. West-st. road.

T. E. Gagin, 21, of 671 N. Jefferson-st., who was driving the machine which was stopped by the bandits, told police that he noticed a Ford car standing near the hollow.

As he neared the place he saw the three men and stopped when one of them waved, thinking it was a motorist in distress.

When he slowed down, each man flashed a revolver. In his face and ordered him and his two companions, Joseph O'Neill, 21, of 453 N. McDonald-st. and Jesse Cummins, 19, of 511 N. Jefferson-st., to climb out of their machine.

One man hurriedly searched them while the other two held them at the point of the revolvers. A gold watch valued at \$85 was taken from Gagin's vest pocket. The other two young men had no valuables with them.

While their victims stood bewildered the robbers jumped in their Ford touring car and headed north toward West Cairo.

Driving on to Lima, the young men reported the robbery to police who immediately notified officers in surrounding towns on the look out for the highwaymen.

No trace of them could be found.

SHERIFF CLAMPS LID ON GAMES AT McBETH PARK, ON COMPLAINTS

Receiving complaints from persons residing in the neighborhood concerning the operation of a shooting gallery at McBeth park on Sunday, Sheriff Baxter has ordered the owner of the concession to keep the gallery closed on that day.

Complaint was also filed concerning alleged games of chance conducted at the park on Sunday and weekdays. Sheriff Baxter has given notice to the owner of a complete doll chance game and to a ball game to discontinue same, stating that gambling of that character is not permitted on any day of the week.

CITY WATER SUPPLY BREAKS ALL RECORDS

Lima's reserve supply of water hit near capacity of the three reservoirs Tuesday when report of pumpings stations showed 1,016,000,000 gallons in storage. The amount is close to capacity, according to Service Director Elmer McClain. The city uses about 5,000,000 gallons of water daily and the supply now on hand is ample to carry the city over summer, even after deducting a liberal percentage for evaporation, officials say.

Telephone Stock For Sale

Opportunity is offered the citizens of Lima to purchase a limited amount of the capital stock of The Lima Telephone and Telegraph Company at par \$100.00 per share. This stock is being sold for the purpose of retiring the outstanding bonds and making extensions to the underground conduit and cable system.

Subscription blanks and further information will be furnished upon application to W. H. Duffield, Treasurer, Metropolitan Bank, Telephone Main 1948, or George H. Metheny, Sec'y-Gen. Mgr., Telephone Main 4771.—Adv.

REV. STILES SPEAKER AT KIWANIS LUNCHEON

Rev. Franklin D. Stiles, of Middletown, former pastor of the First Baptist church here, spoke at the Kiwanis luncheon Tuesday noon at the Elks club.

The Rev. Walter D. Cole was scheduled to speak, but was unavoidably detained. Several Kiwanian ministers here attending the Baptist convention were present and were introduced.

Rev. Stiles introduced his successor, the Rev. Warren L. Steeves. Announcement of the baseball game, Thursday afternoon between the Kiwanis and the Lions' clubs was made.

HARDING STARTS GAS DERRICK

Cincinnati Convention Cheers
When President Pushes Button

CINCINNATI — (By Associated Press) — The two thousand delegates to the convention of the National Gas Association of America cheered today when a miniature gas derrick erected on the stage of Music Hall began to operate when President Harding pressed a button at the White House.

Another pressure of the button by the president set an electric fan in operation and the wind from it waved a flag which was set in a horse-shoe of flowers.

The feature of the opening session was an address by I. V. Brumbaugh, gas engineer for the United States Bureau of Mines. Mr. Brumbaugh said that expert estimates of the waste of natural gas for domestic purposes was 150,000,000 cubic feet, which if replaced with artificial gas would cost \$1.25 a thousand and a total of \$275,000,000. "Natural gas is an ideal fuel," he said, "and it is the height of folly, amounting almost to a crime, for intelligent people to waste a natural product which is so useful and is disappearing so rapidly."

He urged conservation through changes made in gas appliances which he described to the delegates.

FRAUDULENT MARRIAGE CHARGED BY MRS. HOVER IN SUIT FOR DIVORCE

Mrs. Mary Hover, practical nurse, charges in a suit for divorce, her husband, William H. Hover, contracted a fraudulent marriage with her. Mrs. Hover says to please her, he drew up a contract whereby she was to be paid \$800 at his death, to substantiate his part of the agreement.

Mrs. Hover relates he told her he owned 55 acres of land in Auglaize-co., whereas his possessions consisted of but a dower right. A ten-cent comb was all he bought her during their married life, she says. He was fault-finding, pouted, remained silent and refused to engage in conversation much of the time, the petition asserts.

The couple was married on December 18, 1915 and separated the following April. They have no children. Hover resides four miles northeast of Waynesfield. Mrs. Hover asks restoration of her former name of Mary Queen.

ATTENDANCE GROWS AT BAPTISTS' CONVENTION

Attendance at the session of the Ohio Baptist convention had more than doubled Tuesday when the opening was held. Delegates were still coming in up to Tuesday noon.

The evening session Tuesday is of prime importance. It is the annual meeting of the Ohio Baptist Education society. The speaker will be President C. V. Chamberlain, of Denison university, Granville. His subject will be "Denison University's Contribution to Baptist Work."

At the morning session reports were given by the treasurer, the endowment committee, committee on evangelism and new pastors were introduced.

Women's work and religious education came in for discussion and for conferences during the afternoon.

ASK BAKING COMPANY STOCK MADE TRUST FUND

Petition to have \$6,000 worth of stock of the Stolzenbach Baking company declared a trust fund, that a claim of \$2,457.20 be declared a lien on the stock and that sale of the stock be authorized by the court, was filed in common pleas court Tuesday by officers of the company.

The shares of stock were held by the late John H. Stolzenbach and the amount of \$800 and then \$1,500 per annum was to be paid the widow during her life-time.

Because dividends were insufficient to meet that amount, the company claims there is an amount owing them now of \$2,457.20.

RULING SOUGHT ON PAYMENT OF MONEY IN AID OF BRIDGE

James G. Mackenzie, county commissioner, is in Columbus Tuesday. While making a trip to the capital on private business, Mackenzie will also endeavor to secure a decision from the attorney general on advisability of commissioners paying \$15,000 towards the construction of the E. Elm-st bridge, being built by the city.

Commissioners have been holding up the money, awaiting word from the attorney-general on legality involved in the payment of the amount before they issue the funds.

J. K. JOHNSON SPEAKER AT MERCHANTS' MEETING

J. Kennard Johnson, will be the principal speaker at the monthly dinner of the Lima Merchants' association at the Lima Club tonight. A strong program has been arranged by J. L. Ross, in charge of entertainment and all merchants who are members are urged to be present. Better co-operation between merchants will be one of the points touched on by Manager Johnson in his talk.

AMBULANCE REMOVALS CITY UNDERTAKING CO. MRS. H. F. Archer, City hospital to 135 E. Vine-st.

DEATH LIST GROWS AS IRISH BATTLE

Reprisals Swiftly Follow Sinn
Fein Outbreaks

PEOPLE FLEE AS HOMES BURN

New Yorker Aids in Effort to
Restore Peace

LONDON — (By United Press) — Smoldering ruins dotted southern Ireland today, memorials of an orgy of violence in which 36 lives were lost over Whit-unide.

Up to last night there were 32 dead, mostly soldiers and police. The three additional deaths were prisoners named Flynn, Ryan and Alcarne, who were shot when they attempted to escape after their capture by a raiding party.

Reprisals followed swiftly on the Sinn Fein outbreaks. Every ambush was answered by a raid. Every family suspected of Sinn Fein tendencies was given an hour's notice to remove their valuables, after which their homes were fired.

From Cork to Dublin the skies were reddened during the night. The arrival of violence reached its climax coincidentally with the most promising peace negotiations yet suggested.

Premier Lloyd-George and "President" De Valera were exchanging notes indirectly in an effort to arrange a meeting.

AMERICAN TAKES HAND
The negotiations were reported to have been stated that the efforts of Martin Glenn, former governor of New York, who was here early in May. He was said to have provided intermediaries who let De Valera understand the premier was willing to see him.

The "president's" reply was thru the Dublin Freeman. It was a notice to Lloyd George that he would reply publicly if the premier would make his proposal publicly.

It was believed here the Whit-unide horrors were staged by the extremists to prevent carrying out of a peace offensive.

The full story of the shootings which occurred Sunday and Monday revealed the heroism of one woman — the wife of District Inspector Blake who was killed near Gort, County Galway. The Sinn Feiners offered her a chance to escape.

PEACE PLAN OFFERED

LONDON — (By United Press) — British troops must be withdrawn from Ireland, before peace can be achieved, Archbishop Mannix declared in an exclusive interview with the United Press, just before sailing for Australia.

The famous Australian prelate presented three "essentials" to Irish peace. They are:

Immediate withdrawal of the "evading" army.

Acknowledgment of Ireland's right to self-determination.

Negotiations between representatives of both countries on an equal footing with a desire to overcome difficulties "which never can be solved without mutual and good will."

FAIL TO AGREE ON RAIL WAGES

N. Y. Central Dispute May Go
to Labor Board

BUFFALO, N. Y. — (By Associated Press) — The abrupt interruptions of negotiations between representatives of the New York Central railroad and the company's firemen and engineers was taken as an indication that today's conference with trainmen and conductors would be nothing more than another preliminary move to submission of the issue of wage reductions to the railway labor board.

The trainmen and conductors said they expected the railroad officials to propose a return to the scale of wages in force prior to the railway labor board's award of July 20, 1920, and it was intimated that the proposal would be rejected as it was by the firemen and engineers yesterday.

Refusal of the men to accept the company's suggestion that the wage issue be submitted jointly by the railroads and the unions to the labor board, railroad officials said, will tend to delay decision by the board.

BODY OF LIMA HERO OF WORLD WAR. F. D. WELLS IS EN ROUTE TO HOME

Francis D. Wells, 24, member of the Rainbow division of world war veterans, who gave his life for his country in France in March, 1918, is one of the Lima veterans to whom honor will soon be paid by his survivors.

Information has been received by parents of young Wells that his body will arrive in New York on Saturday. Upon arrival here it will be conveyed to the home of a sister, Mrs. W. M. Knapp, 123 E. Findlay-st., with whom the parents reside.

Funeral services will be arranged after the arrival of the body. Wells enlisted and was assigned to duty in northern France. His death was due to spinal meningitis. Besides the parents and the sister, Mrs. Knapp, he is survived by another sister, Mrs. D. D. Davis, 513 E. Kirby-st.

VAN WERT-CO TO STAGE GOOD ROADS DAY EFFORT

VAN WERT — A mass meeting for Good Roads Day will be held at the courthouse Saturday night. Plans will be completed and final instructions given out for preceding with the work on Tuesday. Reports by J. L. Priddy, county surveyor, show that from seven townships 5,200 tons of stone have been ordered. The amount of stone being governed by the registration. Van Wert city has ordered 392 laborers, 25 trucks, 90 tonnage cars, and \$175 in cash.

IT'S A GIRL

Mr. and Mrs. M. Klarman, 540 1-2 W. Market-st., announce the birth of a daughter Tuesday morning, at St. Rita's hospital.

SPOTS TO APPEAR ON SUN FOR THREE YEARS, SAYS WEATHER BUREAU

WASHINGTON — Sun spots do not control terrestrial weather but are more or less related to auroras, earth currents and terrestrial magnetism, according to the United States weather bureau. If there is any relation between terrestrial magnetism and auroras, on the one hand, and the weather on the other, a statement issued today said, it was quite obscure.

Discussing sun spots, the statement said a time of minimum sun-spottedness is just beginning and will continue from one to three years and the present spot is only one of a number of outbursts which may be expected during that period. The public need feel no concern regarding their effect on the earth's weather, it was added.

SEEK MEDINA CO. PARTY TO PACT

C. C. Committee Works on New
Gas Contract Plan

Discussion of steps that should be followed to co-operate with council in adjusting the gas situation occupied attention of the Chamber of Commerce gas committee at a meeting, Tuesday afternoon.

Members of the committee believed that in order to make a franchise between the city and the Lima Natural Gas company binding and enable the latter to carry out stipulations of the proposed ordinance, the Medina Gas company should be made a party to the contract.

Unless this is done, it was pointed out, council might bind the local company to do certain things, but that the Medina company which supplies the gas, could not be forced to carry on the Lima company's agreements.

Letters have been written to Ira L. Neely, general manager of the Medina company, asking him to come to Lima to meet with the committee and discuss recommendations of council. In this way it is hoped to learn the exact standing of the Medina company, and how far they are willing to go.

Members of the committee applied to Solicitor H. E. Garing Tuesday for copies of the recommendation adopted by council. A study will be made of the items, Chairman A. C. Calajacobs states, with a view to assisting the city in any way possible.

MERIT PUT FIRST

Postmasters Picked for Good
of the Service

WASHINGTON — (By Associated Press) — Only the "good of the service" will be considered in selecting the man from among the three highest for certification to the president for appointment as postmaster. Postmaster General Hays declared today in discussing the recent executive order of President Harding on the matter. Congressmen and senators will naturally be heard by the department as to the qualifications of applicants, Mr. Hays said, adding that this meant Democrats as well as Republicans.

Selections made by the civil service commission under the orders of former President Wilson but not confirmed by the senate, will be ignored and new examinations will be held for such vacancies, the postmaster general asserted.

There are about five thousand vacancies, it was said, and the postoffice department is now making up the list by states to certify to the civil service commission. This body, it was declared, is expected to make arrangements for the examination as soon as possible.

CHILD SELECTED

Named by Harding for Ambassa-
dor to Italy

WASHINGTON — (By Associated Press) — Richard Washburn Child, author and former editor of Collier's weekly, has been selected by President Harding for ambassador to Italy.

Mr. Child, formerly of New York, now lives in Washington. He has been connected recently with the Republican national committee and during last summer's campaign spent several months in President Harding's headquarters at Marion.

SOME DIVER, THIS 77 YEAR OLD "BOY"

ST. MARYS — Joseph Shaw, 77, Sidney sportsman, drove daily to Lake St. Marys this week, from his home, to enjoy fishing.

Shaw, who is accompanied by his "kid brother," aged 72, is some diver. Once, while netting minnows, he rolled down a creek bank into deep water. His next plunge was from a boat while fishing for crappies.

Emerging from his impromptu bath he angled another hour before bothering to chop wood and build a fire to dry his drapery in a shack. On another occasion, while hunting duck, Shaw dropped his gun in deep water and dove after it.

TESTED RECIPES.
Bread Pudding—Two cups milk, one cup bread crumbs, one-eighth teaspoon salt, two eggs, three tablespoons sugar, two tablespoons of powdered sugar, one-half cup jelly. Beat the milk, place the bread crumbs in a baking dish and add the milk. Leave in a warm place until the bread has absorbed the milk. Stir and wash with a spoon and add the salt. Separate eggs and beat the yolks and add the sugar to them. Add the sugar and eggs to the bread and milk. Bake in a moderate oven. Boil the white very stiff and fold on top of pudding, pile the meringue lightly on top. Brown in oven, cool slightly before serving.

INVISIBLE LIGHT RAYS TESTED

"Black Light" New Contribution
To Science of Warfare.

EXPERIMENTS SUCCESSFUL

Possibilities Not Limited To Sig-
nalling in Army.

(By HARRY L. ROGERS)
WASHINGTON, D. C. — (International News Service) — An important contribution to the science of warfare is expected to result from experiments with "black light," or invisible light rays, now being conducted by War Department experts, it was learned recently.

A major — General George O. Squier, chief signal officer of the army, and radio expert of international reputation, for months has been giving attention to the subject, and the experiments he has conducted thus far have proved almost uniformly successful.

"Black light," the General explained, is the name that has been given to light rays of greater wave length than those at the red end of the spectrum, or of lesser length than those at the violet end. The construction of the eye is such that these rays make no impression on the optic nerve, and they are therefore invisible under ordinary conditions. Nevertheless, they are generated by every candle, lamp, or other source of light, and scientists have devised unquestionable methods of determining their presence.

NEW SIGNALING APPARATUS.
The experiments thus far conducted with these rays by the army, General Squier stated, have dealt primarily with the problem of devising suitable apparatus for utilizing them in signaling, but their possibilities are by no means limited to signaling alone. While much of the detail work remains to be done, the soundness of the principle is believed to have been demonstrated beyond a doubt, and further practical applications are merely a question of time.

The "black light" signaling system as now conceived may be likened to the ordinary heliograph used in the army, except that invisible light rays are used instead of the flash of sunlight as projected by mirrors. The advantage in time of war of the invisible system, practically incapable of interception, over the heliograph, is obvious. A further advantage lies in the fact that unlike the heliograph the "black light" rays can be generated artificially and therefore are not subject to weather conditions.

The idea that monochromatic light consists of a succession of simple harmonic vibrations in the ether, and that the sensation of color depends on the frequency of those vibrations is believed to have been originated by Dr. Thomas Young early in the nineteenth century. Young and Fresnel were able to determine wave lengths ranging from .000076 cm. at the red end of the spectrum to .000393 cm. at the extreme violet end of the spectrum, by a formula, calculated the number of vibrations per second.

INFRARED AND VIOLET RAYS.
They were apparently convinced of the existence of invisible rays, not included in the spectrum, but made little progress in their studies of those phenomena. Later investigators showed conclusively that the infra-red rays as well as the ultra-violet rays are of the same physical nature as the luminous rays, differing from them only by the greater or smaller length of the wave.

The experiments conducted by War Department scientists have had to do chiefly with the development of the most efficient means of generating "black light," the perfection of a device for projecting it, and the construction of a suitable receiving apparatus for registering its signals. Like the Roentgen, X-rays, the "black light" rays have the property of penetrating substances impervious to ordinary light rays, thus permitting their separation from the luminous rays.

General Squier became interested in "black light" thru his studies of radio telegraphy, a branch of science in which he is an acknowledged authority. About a year ago he started the scientific world by his announcement of the successful completion of his invention of the so-called "wired wireless" system, which permits of the use of uninsulated ocean cables.

HOUSE NOT IN SESSION.

WASHINGTON — The house was not in session today, as it had nothing important on the calendar. It will convene again tomorrow, when the bill authorizing presidential control over cable landings. The measure has been practically by the commerce committee reported as it was approved by the senate.

STOCK SALE APPROVED.

AKRON — At a special meeting of the stockholders of the Northern Ohio Traction and Light Company held here yesterday afternoon, approval was given the sale of a new issue of 7 per cent preferred stock. The sale is subject to the authorization of the state public utilities commission.

JUSTICE WHITE BETTER.

WASHINGTON — Chief Justice White, of the United States supreme court, who recently underwent a minor operation, was reported to day by his physicians to be resting easily.

TWO FAIL TO APPEAR.

R. W. Austin, 35, of 114 N. Collett-st., and M. J. Lynch, 1039 W. High-st., arrested by Officer Glover Monday night on W. Market-st. charged with speeding, failed to appear in criminal court Monday morning.

Plenty of good country butter at Piper's.

C. C. HOUSING BODY TO RESUME SESSIONS

Housing committee of the Chamber of Commerce will resume its session Tuesday night, and consider further plans for promoting home building in Lima.

The committee has under study plans used in other cities which have brought good results. Further reports on the survey made here among prospective home builders are expected to be made public following the meeting.

Bomem HistrHo. eYITS F

ROBBERY FOILED

Bandits Flee When Ohio Cashier
Grabs Rifle

CANTON — (By Associated Press) — Three armed bandits attempted to rob the Navarre Deposit Bank at Navarre, southwest of Canton, at noon today. The robbery was frustrated by F. L. Zinsmeister, assistant cashier, who, when ordered to hold up his hands, jumped behind a brick wall built for such an emergency and seized a rifle. When Zinsmeister secured the rifle the bandits fled and escaped from the village in an automobile, firing several shots into the air as they drove rapidly away.

PAROLED PRISONER JAILED AT URBANA

URBANA, Ohio — Levi Ellis, 80, paroled prisoner from the Ohio penitentiary, is in jail here awaiting return to the institution today, having been arrested on a charge of breaking up the home of Lewis Philby, whose wife left him a week ago. Ellis was sent to the penitentiary for an incendiary plot but paroled on condition that he enter and remain at the Sandusky state soldiers' home. He returned to Urbana yesterday and was arrested. Mrs. Philby disappeared from here a week ago.

RESERVE BOARD HEAD LEAVES FOR SURVEY TOUR

WASHINGTON — Governor Harding of the federal reserve board left today for a two weeks' tour of agricultural and industrial centers of the middle west and south.

The purpose of the tour, the governor said, was to acquaint himself more fully with the individual problems of those sections and to discuss them from a national point of view with representatives of farms, business men and bankers' associations.

TOWNS' FIGHT GOES TO SUPREME COURT

COLUMBUS — The fight between the villages of Fairfield and Osborn in Greene-co., over which is entitled to annex adjoining territory, reached the new village of Osborn the right to annex the territory, dismissing the petition of the village of Fairfield. The lower courts have held in favor of Osborn. The territory sought to be annexed is adjacent to the new site of Osborn to which the village is to be removed in making way for flood protection in the Miami valley.

NEGRO POPULATION IN KENTUCKY ON DECREASE

WASHINGTON — Census figures for 1920 made public today gave Kentucky a population of 2,180,550 whites, an increase for the decade of 7.5 per cent, and 235,938 negroes, a decrease of 9.3 per cent. Other races were Indians 57; Chinese 62; Japanese 9; all others four and of the total population 1,227,494 were males and 1,189,136 females.

SHOE CONCERNS MERGE, CAPITAL IS \$40,000,000

BOSTON, Mass. — The merger of the International Shoe Company of St. Louis and the W. H. McElwain Company of this city, shoe manufacturers, was announced today. It brings together companies whose combined sales aggregated \$130,000,000 last year. A joint capital of \$40,000,000 is said to be involved, merging of which is to be effected by exchange of securities without public financing.

MORE LOYALTY IN SCHOOLS AIMED

State Superintendent Riegel Plans Patriotism

HONOR VETERANS OF WARS

Memorial Day to be Observed May 27 in All Schools

COLUMBUS — (By Associated Press) — An educational program for the coming school year in Ohio schools, in which special effort will be made to develop in children the "fundamental virtues," patriotism, "reverence and reverence," has been announced by Vernon M. Riegel, state superintendent of public instruction, in letters to county superintendents. The letters urge full and complete co-operation on the part of the schools in Memorial Day services, and set aside May 27 for Memorial Day of observance in the schools. District superintendents in rural sections are especially urged to see that all children in the district are mobilized, to the end that no secluded grave in any country burying ground is overlooked. Every child ought to be encouraged to equip himself with an American flag, said the letter. If a sacrifice has to be made to buy one, it would be most commendable, it adds.

TO HONOR HEROES

"The closing days of May properly may be thought of as the season of renewed consecration to our country, our flag and our heroes, living and dead," Riegel said. "At this season, the child may lift up the hands of the twilight of their lives are with halting step faithfully decorating their comrades' graves as they have done for more than 50 years. So also may the child quaff at the rich cup of devotion, which the trembling hands of the wearers of the blue, are about to pass on to a new generation of veterans—the khaki-clad Legion, and to a new supporting citizenry, built from the product of the American schools."

REVERENT PATRIOTISM ALIVE. The spirit of patriotism must not die from neglect, but must be fanned into more vigorous, quickening and persistent life in every American citizen. In this cherished result, the annual observance of Memorial Day will have an important part. The call is for the exercise in the days of peace of the unselfish service so gladly given in the three wars in which our living veterans took part.

BRONCHIAL TROUBLE CAUSED ANXIETY

No medicine has a better reputation than Foley's Honey and Tar for quickly relieving coughs, colds and croup. It loosens the phlegm and mucus, clears the passages, cures hoarseness, stops tickling throat. John S. Hocking, 105 Burgess Place, Passaic, N. J., writes: "I was suffering from an acute case of bronchial trouble which gave me considerable anxiety. Foley's Honey and Tar deserves all the credit for my betterment now."—Chas. J. Vorkamp, Lima and McKibben sts.—Adv.

Three Years of Nervous Misery Brought to an End by Nerv-Worth

Grateful Husband Tells How This Reliable Home Remedy Brought Relief After All Else Had Failed.

"For three years my wife had been on the decline," said D. R. Calhoun, 2219 Laconia Avenue, Springfield, Ohio. "She was extremely nervous, in fact her nerves had gone to pieces. She could not sit up in bed at night and sleep. Her stomach and digestion were in bad shape and she couldn't sleep and digest. She had pains in her bowels and could not get any restful sleep. She tried all the remedies I could think of, but without any benefit at all. Finally, I purchased a bottle of Nerv-Worth and she took it as directed, and surprising to say, her nervousness has all gone, and she suffers no more stomach trouble or pains. She said she believed if she had not gotten Nerv-Worth, she would have died or gone insane, you may be sure that we gladly recommend Nerv-Worth to everybody after it did this." Mrs. Calhoun's case was an exceptional one and it took an exceptional medicine to reach it. The great powers of Nerv-Worth quickly produced results, as Mr. Calhoun said, after everything else had failed. Refrain from taking your first bottle, your money will be refunded. Sold by all leading druggists everywhere.

Nerv-Worth is sold and recommended by Hunter's Drug Store, Lima; C. M. Young, Van Wert; Gasson's Drug Store, Lima; Lutz Drug Store, Kenton; Powell's Pharmacy, Bellefontaine; Minzel's, Defiance.—Adv.

126 W. MARKET ST.

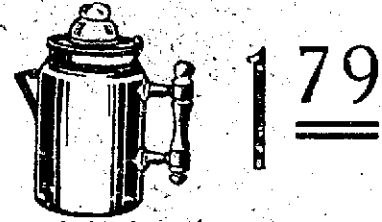

May Drive For Greater Sales

The amount you save during this May drive for increased business depends entirely on how much you buy. There are wonderful bargains in every department of the Big Store. With a determination to outdo all former records for May business we scoured the markets for quality merchandise that could be bought at a bargain on present day markets. The result is that we are enabled to offer to you goods of reliable quality at prices that in many instances are less than half those of last year.

PROSECUTIONS IN WAPAK ROBBERY

Police Believe They Can Now Clear up the Situation

WAPAKONETA.—(Special)—The arrest of Herbert Masonbrink of Celina when he called at the county jail here to see Guy Tennet, taken in connection with the robbery of the Weber poker joint March 3, has cleared the way, police say, for the prosecution of the men held in the county jail here on charges of being the holdups. Sheriff Ewing and Deputy Alay are in Celina, where fourteen diamonds valued at \$3,000 taken from the gamblers by two holdups, were located in a pawn shop. Since one of the principals, David Whitfield, has made a complete confession, officials believe that clearing up all mystery in connection with the robbery will be easy.

According to a report of the department of the Adjutant General the list of Auglaize-co soldiers who lost their lives in the World War total 27, two of whom were officers.

Various committees which will attempt to secure pledges or securities for \$10,000 to be used to purchase the old Home Milling Co. site for a park started work Monday.

Six ringers in one game is the record so far established at "Horse-shoe Grove," official pitching center of this city.

A movement is on foot here to combine the Chamber of Commerce and Merchants' Retail association.

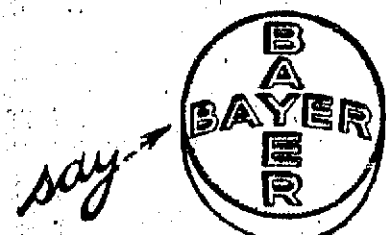

Wapakoneta will send a team to Lima on Memorial Day to compete in the Y. W. C. A. track meet.

Died: William H. Brown, 75, uremic poisoning; Mrs. Sam Martin, 50, bronchitis.

Mrs. Hugo Bierlein, a former resident of this city, died in a Dayton hospital Monday. Mrs. Bierlein was a sister of Miss Ida Zint. William, Jacob, George and Charles Zint of this city and Mrs. Anna Vandenberg of Lima.

ASPIRIN

Name "Bayer" on Genuine

Take Aspirin only as told in each package of genuine Bayer Tablets of aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. If you see the Bayer Cross on tablets, you can take them without fear for colds, headache, neuralgia, rheumatism, earache, toothache, lumbago and for pain. Handy tin boxes of twelve tablets cost a few cents. Drugists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid. Adv.

Growing Deaf With Head Noises? Try This

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears go to your druggist and get 1 ounce of "Crystalline" (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Closed nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to use, costs little and is pleasant to take. Anybody who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.—Adv.

TOOK DEATH GERM TO HUSBANDS

Mrs. Southard Explains Demise
of Four Mates

SHE IS "TYPHOID CARRIER"

Spouses Contracted Disease from
Her, She Says

HONOLULU — (By United Press) — Mrs. Lydia Southard, held as an alleged "Bluebeard," charged with murder of four husbands and a brother-in-law, today held firmly to her claim that she was a natural typhoid carrier and that her husbands died of typhoid fever contracted from her.

"After I am proven innocent, I will sue my accusers on the mainland for damages," she declared, in an exclusive statement to the United Press.

"I never had typhoid fever myself, but I am convinced that my husband's contracted it from me. Scientists say I can be a carrier without being affected."

"As to my collecting insurance policies, when my husbands died, I never collected any, altho I have some due me."

"There was some talk after my last husband died and that was why I had an inquest held then."

Mrs. Southard asked Chief of Detectives McDuffie, what kind of poison she was charged with using.

"Why, I understand it was the kind they kill weeds with," McDuffie answered.

"They'll have to prove that," Mrs. Southard commented.

Mrs. Southard refused to attend religious services in the jail yesterday.

Mrs. Southard now eats and associates with the other women prisoners and is given the liberty of the jail. She has signed a statement, formally waiving extradition.

If Your Hair Is Thinning

Strengthening and enlarging the roots of the hair is one of the real secrets of forcing hair to grow. Something which has heretofore not been fully realized. Merely stimulating the surface tissue of the scalp will not stimulate the hair growth to the extent desired. By the new method just mentioned hair can be forced to grow several inches a month. Hair will stop falling as if by magic. The new vigor of the hair will be quickly noticed, and all bald spots will be soon entirely filled out with new sprouts. This can all be easily obtained by the simple use of beta-quinol, which can be secured at any drug store in the original one-ounce package. This can be mixed at home with a half pint of bay rum and a half pint of water, or with witch hazel if you prefer. It contains no oil whatever.

To Have the Arms Pits Soft and Free from Hair

You can be sure that there is but one sensible way to remove hairs from the arm pits, and, in fact from any part of the body. It is foolish to "burn" them off, injuring and spotting the skin. Just moisten the hairs with sulfo solution. This will actually dissolve away the hairs completely, and leave the skin superbly soft and smooth. It will not irritate the most delicate skin. Sulfo solution may be obtained at nearly any drug store.

Something Better Than Soap for a Head-Wash

As to head-wash, you are advised against using soap, or the many shampoos sold, because of the alkali they contain. This dries up hair secretions. Get a package of ergol at the drug store and dissolve a teaspoonful of it in half a cup of water. You can get enough ergol for twenty-five cents for a dozen or more head washes. It is magic in cleansing hair and scalp, and aids wonderfully in making hair grow.

As to head-wash, you are advised against using soap, or the many shampoos sold, because of the alkali they contain. This dries up hair secretions. Get a package of ergol at the drug store and dissolve a teaspoonful of it in half a cup of water. You can get enough ergol for twenty-five cents for a dozen or more head washes. COUNCIL ORDERS SEWER PLANS

Votes Expenditure Despite Inability to Sell Bonds

Despite the fact that Lima could not sell bonds of more than a million dollars Monday, council Monday night, without turning a hair, voted to issue \$25,000 additional bonds to pay engineers for preparing sewer plans. In addition the same board authorized the city to pay the engineers for the work at the sum of \$15,000, the price paid for the work of the engineers.

The engineer whose duty it will be to draw plans for sewer, disposal works and drainage of the city, largely for use of a decade hence, can get \$15,000 of his compensation before plans are accepted.

Borough present of E. E. Harman and others seeking to have the W. Market-st. bridge, which was referred to the lighting committee after G. H. Ganser, had told council that cost of wiring the old system would cost as much as putting in the new W. Market-st. bridge, and the five light lamps retained and extended west to Belmont-st.

Rodmen employed by the engineering department may get a raise in pay if recommendations made by their chief, City Engineer, Vaughn Miller are acted upon favorably by the finance committee. They are now getting \$20 a month and would receive 100, the price paid for rod men working on sewers.

Paving of W. North-st from Wood-lawn-ave to Glenwood-ave was ordered by council. Extension of the W. North-st lighting system from Baxter to Collet-st was ordered. The resolution favoring it being incorporated with legislation extending the system from West-st to Baxter-st. Ordinances providing lights in W. High-st West to Baxter-st and extension of lighting system to West Creek pump station were passed.

Dr. J. P. Palmer, health commissioner called attention to unsanitary condition of drainage at Fire Station No. 5. He ordered the matter remedied.

Petition by property owners in Murphy-st for a sewer from Main to B. & O. tracks, was recommended for adoption.

Cornelius Kline, 857 E. North-st, claims that corner of the North-st bridge is an injury to his property. He asks \$1,500 compensation. The finance committee were instructed to look into his claims.

CITY USES PROD ON COUNTY

Solicitor Sees Attorney General on Elm-st Bridge Aid

City Solicitor H. E. Garing spent the day Tuesday in Columbus, in conference with Attorney General John J. Price in an effort to obtain an opinion on the Elm-st bridge matter. County commissioners are refusing to appropriate \$15,000 promised for the structure until they obtain a ruling on the legality of the matter.

Inasmuch as construction on the bridge has commenced and first estimates of more than \$100,000 are being held up because of the delay in obtaining the county aid, city officials are more than anxious to know where they stand.

Especially is this true, as failure of the \$42,000 bond issue for Elm and North-st bridges to sell on Monday, leaves the city without funds to pay construction costs.

County commissioners have repeatedly assured the city that they desire to pay a portion of the cost of Elm-st bridge, but no resolution appropriating the money has ever been adopted.

City Auditor David L. Rupert turned bond salesman Tuesday and also visited the state capital to learn what can be done toward selling the more than one million dollars worth of securities issued by the city.

The banns 50c. at Piper's.

DEED TO PROPERTY LOST BRINGS SUIT FOR ADJUSTMENT

Loss or misplacement of a deed for property, known as lot 327 in Selschneider's addition, W. Spring-st, caused suit to be filed in common pleas court Tuesday to obtain legal possession of the property.

Mrs. Frances Randall is now in possession of the property. She says the property was conveyed to her by Harry H. Harner and wife, now residents of Los Angeles. The deed was lost or misplaced, she asserts, before it was recorded.

The Harners, Mrs. Randall says, refused to furnish her another deed to complete the title of ownership. She says they claim some interest in the property and asks the court to convey it to her for her own, free of all encumbrance.

LOAN MEN ARE IN MEETING HERE

Representatives From Ten Counties in Third District

Over 100 representatives from the Building and Loan associations in the ten counties comprising the Third District of the Ohio Building and Loan League, are meeting Tuesday at the Lima Club. They were greeted by John W. Ittig who welcomed them to the city on behalf of the local associations. Short talks followed in which W. P. Anderson of the Citizens' Loan and Building Co., W. L. Rogers of the Central Building and Loan Co., F. C. Mead of the Lima Home and Savings association and J. W. Gensell, South Side Building and Loan, also welcomed the visitors.

An address by Frank McGuire, State Superintendent of the Building and Loan department, completed the morning session. He spoke on the general business conditions and the many things he has found during the examinations made through the year.

After the noon luncheon, at the Lima Club, the body reconvened and listened to an address by J. L. Devlin, secretary of the Ohio State Building and Loan League. His address was mainly on the legislation put thru by the legislature at its last session and its effect on the loan associations.

I. N. Zeigler, Bellefontaine and B. B. Amann, Sylvania, are president and secretary respectively of this district.

MEN AND MATTERS

Rev. Walter Cole, pastor of Trinity M. E. church, will address Kiwanis at their noonday luncheon at the Elks' Home Tuesday.

Rev. Samuel Huecker left Tuesday for Whipla Lake, Ind., to attend pre-Assembly conferences of the Presbyterian General Assembly. He will return either Friday evening or Saturday.

COUNCIL OFFERS NEW GAS RATE

Proposes Franchise With Only Slight Increase

Recommendation of an ordinance under which Lima shall purchase its natural gas for a period of three years passed council in the form of a resolution Monday night after several aldermen had spoken for and against the matter. Solicitor Garing is instructed to prepare a franchise along lines suggested, the instrument to go into effect with the gas company September 1.

The city's terms to the gas company, as incorporated in the resolution, are:

That a pressure of four ounces be maintained and five automatic gauges be installed to measure such pressure.

Gas to contain not less than 950 B. T. U.'s per cubic foot and test to be made weekly by city chemist or other competent person and report made. If pressure and quality are not maintained, a forfeiture clause provides for a reduction of 33 1-3 per cent in the price.

Price of gas is fixed in the suggested legislation as follows: For the first 5,000 cubic feet, 55 cents per 1,000; 60 cents for the next 5,000 feet; 65 cents for the next 5,000 and all over 15,000 cubic feet at the rate of 75 cents per 1,000 cubic feet.

All meters are to be furnished by the company and kept in repair at their expense, without service charge. Gas officials will also be required to file quarterly with the city clerk a statement showing amount of gas sold in that period, for both industrial and domestic purposes. Domestic consumers are to have preference, but that they must keep appliances for consuming gas efficiently. Provision is suggested for extension of service.

Thompson's Drug Stores

are not only commercial establishments in Lima, but

Institutions

founded for the purpose of supplying drugs and drug sundries to the people of Lima and vicinity.

When the *Commissioner of Agriculture* has inquiries from farmers or others throughout the state, concerning names of plants growing in this state—their medicinal value—how they are marketed and the market price, he refers his correspondent to

Thompson's Drug Stores

When the *Newspapers* have inquiries from their subscribers concerning unusual, new or old remedies, they refer them to

Thompson's Drug Stores

When the *Post Office Department* is requested to give information concerning drugs or the Drug Business, they immediately refer such requests to

Thompson's Drug Stores

Many *Doctors and Dentists* throughout Lima and vicinity when in need of Nitrous Oxide for dental surgery and major and minor operations, prescription work they can rely on, Serums and Biologicals, go to

Thompson's Drug Stores

When members of the *Homeopathic* profession or their patients need such articles as Mother Tinctures, or dilutions of Rhus Aconite, Bryonia, Nux Podophyllin, they go or send to

Thompson's Drug Stores

When *Druggists* of Washington, Seattle, Boston, Dallas, Leavenworth, Minneapolis and other cities have an inquiry for rare drugs which grow in Ohio, or some medicine formerly made or now made in Ohio, they write or tell their customer to write or send to

Thompson's Drug Stores

Many Veterinarians when in need of reliable drugs, serums, etc., always go to

Thompson's Drug Stores

The *Public* knows, when they are in need of Invalid Chairs, Rubber Goods, Trusses, Abdominal Supports, Home Remedies, Renulife Violet Ray Generators, newest Electrical Appliances, City Street Car Tickets, Day and Night Delivery Service and other items and features of service unknown to the average Drug Store, they go to or send to

Thompson's Drug Stores

The people of Lima's Shopping Radius, when in need of drug store goods, send by mail, even the first mail after our ad appears to

Thompson's Drug Stores

LEGISLATORS MAKE VISIT TO VAN WERT

VAN WERT — Twenty-one members of the state legislature and supreme court visited Van Wert Sunday to look over the proposed site of the Marsh Foundation and other gifts to the city by public spirited citizens. Following a tour of the town the men were taken to the Y. W. C. A. where a public meeting was held, with C. A. L. Purmort of Van Wert as chairman. Addresses were given by Supreme Court Judge S. S.

Matthias, Lieutenant Governor Clarence Brown, H. L. Cowh for the ex-secutors of the Marsh estate, R. H. Beetham speaker of the house, C. C. Crabbe, speaker pro tem; Judge James G. Johnson and Judge Benson Hough. The meeting was arranged when the legislators expressed a desire to see the town that has received the Marsh estate and other gifts.

ALL THE MONEY YOU HAVE CANNOT BUY TWO WORDS IN THESE COLUMNS

TAKING CARE OF EXPERTS

ALTHO City Council is aware of the fact that bonds in the sum of approximately \$108,000 must be sold before July 1, to meet deficiencies, pay salaries and keep work moving, that body calmly voted an extra \$25,000 for experts to draw sewer plans for work which cannot be done for years, at its meeting Monday night.

The city failed to secure a bid on more than a million dollars worth of bonds Monday, among which were included the deficiency bonds to keep the city going. Bonds must be issued to pay the experts for the work of drawing plans which will be handed to the next administration, altho the present administration has no assurance that the work it is planning will meet with the approval of the new government to assume control the first of next year.

Council appears to be determined to keep experts employed at fancy salaries, even if it is necessary to shut down every other branch of the city government. Business men who take an interest in the way money is spent for city work are disgusted. They cannot see the economy of piling up expense on one hand for luxuries while retrenchment is necessary to keep the various city departments going.

It is time for the public to wake up and realize that council, making a loud noise about the money it is saving the people thru boys' play, is saddling on taxpayers and property owners expenses uncalled for at this time, which far exceed the trivial amounts council believes it is saving.

MAKING A COAL FAMINE

IN view of the fact that coal mining is not a continuous industry, it is easy to understand why there is an occasional famine in fuel. The industry fills immediate orders. It does not store its product to as great an extent as some people imagine. When orders are wanting, no work goes on other than that of keeping the mines in good condition. When cars are lacking, no coal is dug. It is an industry which never acquires a supply of its commodity ready to be loaded and carried away.

In short, the industry depends upon its customers to exercise the merit of preparedness, to accumulate fuel. A slack season comes to the coal trade every year. This year the season is unduly prolonged. The buyers' strike is keeping the mines idle so long that, when orders do come in, they are likely to come with a rush, cars will be hard to get and a shortage may occur in the labor market.

Which is to say that the situation is breeding another coal famine for next winter. There is a lack of something somewhere which produces this situation. The public blames the railroads and the mine owners. The mine owners blame the public and the railroads and the railroads lay the blame at the door of the mine owners and the public. So there you are.

The mines of the country are running less than 50 per cent of capacity in the face of the fact that there are 175,000 idle coal cars standing on the side tracks—because consumers and dealers are not placing orders. Unless something definite is done and at once, next fall the railroads and the coal operators will again be blamed by the public for a condition they claim they cannot meet.

An industry cannot be forced to make over long established customs. Coal cars can-

not be manufactured to meet a sudden emergency. It is therefore clear that there is only one way in which a coal famine now looming ahead can be avoided. This is by placing orders for coal now and storing fuel for the next winter.

THE "SLACKER" LIST

FOLLOWING its announcement that the names of those who successfully evaded the draft in the late war would be made public, the War Department has sent out the first two installments of this list for publication in newspapers. The list has been compiled by the department as a matter of record and at the suggestion of patriotic societies.

The names appearing on this list will be posted in postoffices throughout the country and are available to newspapers. The heading on the lists describes those mentioned as "deserters from the military service of the United States."

The News will not publish the names as compiled by the War Department. It has reasons to believe, in fact knows, that the list is not accurate. Many errors will be found in it and damage which cannot be repaired will be done those who are wrongfully accused. This will occur to a great extent thru the duplication of names. If the War Department were able to announce that there is no reason to doubt that all those mentioned in its announcements were slackers and deserters The News would not hesitate to publish the names as legitimate news and as an aid in bringing to justice men who ran away when their country faced one of the greatest tests since its foundation.

The War Department, however, knows and admits that it is impossible to make the list accurate. The News believes the undertaking as it is being carried out is a mistake; that until all chance for error has been removed the names should not be made public.

Those who were cowards and dodged service with the brave American warriors abroad deserve no leniency. The most severe punishment should be meted out after they are convicted and every possible agency should be brought into play to bring them to justice, but innocent men who gave their services and in many cases their lives should not have a stain placed upon them thru an error by their government.

GUARD YOUR HOMES

ROBBERY of a home near Bluffton a few days ago by men posing as prohibition agents again demonstrates the danger to which householders are exposed unless they exercise the greatest possible care. Law-abiding citizens when approached by men who announce that they are dry agents are impressed with the authority with which these representatives are vested and seldom demur to their statement that it will be necessary to search the premises.

It is easy to guard against intrusion by imposters who hope to rob. All that is necessary before admitting them is to demand that proper credentials be shown. If the agents are bona fide they can not object. If they are not, a robbery may be prevented. This should be remembered by women, who are often victims of yeggs representing themselves as officers.

MISS LIMA: "Nobody ever heard of a near-beer wagon breaking down as a result of being overloaded."

JUST FOLKS—BY EDGAR A. GUEST

THEY WHO ARE AFRAID TO FAIL

They who are afraid to fail,
Never venture very far—
Fear of hurricane or gale—
Keeps them safely where they are;
Timidly their lives are passed,
Dreaming dreams which quickly die,
Answering glory to the last
With a terror stricken cry.
Glory crowns the pioneer,
Fame rewards the man of might,
And in time the throngs will cheer
Men who venture for the right.
But the timid only see
Dreadful dangers that assail,
And they question fearfully:
"What if we should chance to fail?"
"We might have to start anew,
We might lose what now we own,
Here we know what we can do."

WHAT THE STARS PREDICT

Kindly stars rule this day.
It is a lucky time for signing
contracts or writing letters.
The evening of this day is most
auspicious for entertaining.
It is a fortunate sign under
which to begin any new enterprise.
Persons whose birthday this is,
will have a year of travel and
change.
Children born today will be in-
dustrious and successful.

OLD SCISSORS SAYS:
Death isn't discriminating.
It even insists on accompany-
ing joy riders filled with booze.
It's task is easy then.

The only May Day outrages, so far as we have
heard, were committed by the moving men.

If it gets the money at the box office, it is a good
show, whether it is or not.

Mail service has been partially re-established in
Russia. Over here we are more fortunate. Mr. Hays
has almost entirely re-established it.

Children who are late to school are writing
plays and must be excused. Aged grandmothers
have dropped their knitting and taken up the type-
writer. Infant and aged prodigies are springing up
everywhere and middle-aged folks are going after
the drama so strong that the paper shortage is be-
coming more and more acute.

The papers announce, occasionally, a new dram-
atist. But while they are announcing one new one
there are something like 500,000 others who are
not announced.

Every man has a play hidden somewhere in his
system, so says a famous playwright, and the sooner
this person gets the play off his chest and gets back
to normal the better it is for the whole public. That
is why these amateur playwrights are treated with
consideration. If a man has a play in his system
and doesn't get it out the result is apt to be fatal,
or at least it is liable to crab his whole life. for he
will never go to see a show but he will say:
"My play would have had that one skinned a
mile."

The greatest cure for playwrighting is writing a
play.

The cricket makes the peculiar cricketing sound
by rubbing its wings against its hind legs. A mole
cannot do this, but makes his cricketing noise by
rubbing his tongue against the roof of his mouth.

If nothing happens to an elephant, he lives a
great many years.

The first horseshair watch chain was worn by
Louis XVIII, king of France, Europe, and was con-
sidered quite an ornament. The watch worn by the
king weighed four pounds and could do anything but
keep time.

No man in the history of the world has ever been
able to wear a plug hat and milk a cow at the same
time.

The death rate among the Inca Indians is very
high, for the reason that this tribe lives on the top
of a mountain.

The pelican is called the plumber among birds,
because it has an extraordinary large bill.

CONTRIBUTED.

The farmer sat in his easy chair,
Smoking his pipe of clay,
While his good old wife
Was counting the eggs
Preparing to give them away;
The house dog lay
Stretched out on the floor
Where the afternoon sun
Used to steal.
When the old man went
To his feelings vent
And began to let out a squeal.

He cursed and he swore,
And said he didn't know
Such liars were 'lowed to run loose,
Ma said, "Shut up,
You wanted a change,
It's good enough for you, old goose,
I thought that word
They used on you, Dad,
Was too big for your pate,
Don't you see,
But you 'lowed that you knowed,
That the debts that you owed
Could be paid
"With that word 'Normalcy'."

"IDOL OF THE NORTH" IS DOROTHY DALTON PLAY

Producers Bow to Public Demand for Story Equal to "Flame of the Yukon"

Pauline Frederick's Latest Offering, "Mistress of Shenstone" — Directory

(By ESTHER WAGNER)
EVER since Dorothy Dalton made "The Flame of the Yukon," there has been a great demand for another Dalton picture of the same calibre, so the producers have obligingly given us "The Idol of the North," with the hope that we will hold our peace.
Gold! And with the discovery, a rush of soldiers of fortune to the New-Man's Land of the North. The city of Totem sprung up almost overnight and the queen of the Totem City dance hall found it easy pickings among the newly rich and gold-madened miners. Collette was wise—she took all she could get—and gave nothing. All one day the baffled miners forced her to marry the worst man in camp and that's what starts the real story of the picture, that fairly tingles with real action and human interest.
Dorothy makes a wonderful Collette and the cast supporting her is exceptional, including as it does Edith August and E. J. Ratcliffe.
"The Idol of the North" is scheduled for an early run in this city.

"The Mistress of Shenstone"
FLORENCE BARCLAY'S story, "The Mistress of Shenstone," provides a meaty vehicle for the emotional Pauline Frederick and while she isn't as interesting in her particular role as she was in her last production, "The Slave of Vanity," yet she injects a certain consistent charm and realism into her current picture that cannot be overlooked.
She is cast as the Mistress of Shenstone, her husband, Michael, being at the front. It seems that Mrs. Shenstone has never been an adequate wife, and when news reaches her that her husband has been killed, the blow leaves her cold, but not fearful. Her husband's death, she later learns, had been the result of a blunder on the part of one of his comrades, whose name she did not wish to learn.
On a beautiful rock-bound coast she meets Jim Airth and the two, naturally, fall in love with each other, he not knowing that the woman he loves is the Mistress of Shenstone, and she not knowing that he is the Earl of Airth. Well, things progress nicely until he learns that she is the widow of the man he had accidentally killed.

From now on the plot writhes and twists and writhes again and for a while you don't know just how it's going to end. But after endless tears and sighs and things, facts right themselves and we leave them happy. So much for the story.
Roy Stewart is cast as Jim Airth and is his usual competent self. Others in the cast are mere background for Miss Frederick. The picture, it seems, could have told its story and told it well in about three reels; instead it drags out the length of six, with the result that the last few reels are tiresome, to say the least, unless you're a Frederick fan and don't mind getting the fluffs.

"The Mistress of Shenstone" is the Lyric's feature picture today. In addition, the famous Kilties Band, Canada's well-known concert organization, appears daily at the Lyric, offering a splendid program of musical selections that is worth the price of admission alone. This engagement is until Wednesday evening.
THEATRE DIRECTORY.
AT THE LYRIC: "Man-Woman-Marriage" with Dorothy Phillips and James Kirkwood, is the Lyric's special attraction today and all week. An excellent drama, beautifully staged. Also a new and interesting comedy with Lloyd Hamilton.
AT THE SIGMA: Alice Lake heads the cast in "Uncharted Seas" appearing today at the Sigma theatre. Larry Semon also appears on the program in "The Rent Collector."
AT THE FAUCOT: "Heliotrope" is the Faucot's feature attraction today and until Friday. Fred Burton has the leading characterization. Also added features.
AT THE MAJESTIC: Anita Stewart heads the cast in "Smoke Your Old Favorites, El Verso, San Felice and Stags."
FOR THE PORCH OR LAWN: See us. We have the BEST for the LEAST—Hoover-Rough Co.
MISS COLLINS, EXPERT CORSETIERE, IS DEMONSTRATING BINNER CORSETS THIS WEEK AT BLUEM'S.

Says Hydrosal Cured Eczema

Free Sample Sent on Request

A short time ago a woman called at the Hydrosal Laboratories and said: "My brother had eczema for several years, covering the entire arm from wrist to shoulder—the itching nearly drove him frantic. He used Hydrosal ointment and got almost instant relief from the tormenting itching; the rash is entirely gone." (Name furnished on request.) Hydrosal stops itching and stops inflammation and burning in most severe cases a few moments after first application. It positively does not stain the skin. It destroys odor, cools and heals. It is the finest thing in the world for itching, burning, sweaty feet. Sold by all druggists. Free sample sent on request. Write today, 5719, Hydrosal Laboratories, Cincinnati, O.—Odv.

REGENT
HOUSE OF BETTER PICTURES

AGAIN TODAY AT 1-3-5-7-9
—the screen's newest marvel.
—a wonderful romance of Mother-Right.
You'll see thousands of women ride barebacked into battle, clad only as the Amazons of old.
You'll see the barbaric beauties of pagan courts, and the life of the men and women who rule today.
You'll see thousands of players in riots of splendor, beauty, love, life, hate, tramping but never crushing the love-power of Mother-Right.

Something too great for comparison with anything that has gone before.

SHOWER GIVEN MISS ACKERMAN A BRIDE-ELECT

As an informal courtesy to Miss Audrey Ackerman, a bride-elect of June, Miss Edith Stolzenbach entertained with a delightful and elaborate shower at her home on W. High-st. Monday evening.

The rooms were prettily decorated with pink and white roses. After the arrival of the guests, the doors to the music room were thrown open, disclosing a miniature bride and groom on a platform of roses behind which was a huge pink basket containing the gifts for the honor guest.

The evening was enjoyed in dancing, music and other diversions, after which a delicious luncheon was served by the hostess.

Guests of the evening included: Mrs. Edward Stolzenbach, Mrs. Howard Webb, Mrs. Ernest Hill, Mrs. Paul Landre, Mrs. Ernest Bierly, Mrs. Guy Custer, Mrs. Leroy Earl, Mrs. Will Daniels, Mrs. Orla Pettey, Mrs. Jerry Blair, Mrs. Carey May, Mrs. Frank McClain, Mrs. Shusser, Mrs. Edith Heffner, Mrs. Gerry Sawyer, Miss Ola Osgood, Miss Nell Kriete, Miss Clara Stolzenbach, Miss Mary Thomas, Miss Lucile Hoyt, Miss Green and the honor guest.

Monday evening the K. of C. Room 1000 was filled with light and the scene a delightful one, disclosing about 600 persons who were wholly enjoying the Charity Ball given under the auspices of the Knights of Columbus.

Garden flowers of every hue and kind made the room a bower of fragrance. Music was furnished throughout the evening by a popular local orchestra.

The entire proceeds from the dance will be given to the Irish Red Cross fund. John G. Price, attorney general of this state, is chairman of the committee in charge of the affair.

At the McKinley school the following were elected: Miss Hanna Gordon, president; Mrs. Day, vice-president; Miss Margaret Coolahan, treasurer and Mrs. Al Miller, secretary.

Officers chosen at Washington school included: Mrs. Anna L. Conrath, president; Mrs. Edward Beck, vice-president; Miss Anna Kline, secretary and Mrs. Lloyd Combs, treasurer. About 50 mothers were present at this meeting.

MISS CHRISTEN'S DAILY PAGE OF CHAT AND SOCIETY EVENTS WILL CHARLIE AND MAY WED?

Miss Pearl Goodwin entertained a group of guests at an attractively appointed dinner at her home on Belmont-st. Friday evening. During the dinner the hostess' engagement to William A. Stork was announced when dainty cards bearing the initials of the betrothed couple were passed to each guest. The wedding will take place in the late summer.

Guests included Misses Berneta Ross, Ruth Welly, Gladys Driver, Beatrice Jacobs, Edith Eldenour, Doris Gram, Abigail Marley, Bernice Pardy, Blanche Eagle, Leona Foster, Alice Russell, Iris Kohl, Carolyn Miller, Mary Mercer, Giovanna Lyons, Lucille Burkhardt, Ethel Simpson, Margaret Haskell, Artha Nichols, Irene Buckley, Mildred Craig, Hazel McCallan, Queen Long, Frances Russell, Ada and Agnes Smith.

Miss Thelma Schuster was hostess to the members of her bridge club at her home on W. High-st. Saturday. At the conclusion of an enjoyable evening of play with Miss Janet White and Collis Young holding high score the hostess served a dainty lunch.

Those present included Misses Janet White, Virginia Gardner, Harbelle Janner, Helen Hughes, Hope Hollister, Gladys Schuster, Dorothy Hunter and the hostess, Messrs Edmund Taylor, William Laughlin, Wilford James, Herbert Williams, Richard General, Leonard Wendock, William Christensen and Collis Young.

In celebration of the 52nd birthday anniversary of Joseph Potter, his son-in-law, Dr. J. B. Swann, was host at a dinner at the "Flax" home Monday.

Mr. Potter is a remarkable man. He is unusually active and alert, enjoys good health and is thoroughly interested in all subjects of the day.

Covers were laid for Messrs. Joseph Potter, Dr. Shirley Mumaugh, Frank E. Moore, R. C. Eastman, R. M. Green, J. M. Morris, Harry M. Egan, W. C. Bradley, C. H. Perry and Dr. J. B. Swann.

James Fletcher was pleasantly surprised Monday evening when a number of his school friends gathered at the home of his parents, Mr. and Mrs. Howard Fletcher, Elmwood-st. in celebration of his 12th birthday anniversary. Games, contests and various other pleasures were enjoyed, after which a dainty lunch was served.

Mrs. Clayton Paine will entertain a group of friends at her home on Belmont-st. Wednesday evening.

Sigma Kappa sorority will entertain with an informal dancing party at MacBeth park Friday.

Misses Eloise Cunningham and Helen Hunter are home from a short stay in Columbus.

Misses Florence and Louise O'Brien, W. Spring-st. are in Connersville, Ind., on a several days' visit.

Neocleat club will meet Saturday afternoon at the home of Mrs. Guy Custer, W. Wayne-st. with Mrs. Ernest Bierly as assistant hostess.

May Collins and Charlie Chaplin, whose names have been linked by rumor.

LOS ANGELES — (Special) — Charlie Chaplin is going to march to the tune of Lohengrin once more, according to all reports. That is, according to all reports save Charlie's and Miss May Collins, the lady in the case. Although neither will confirm the reports the persist in lunching, dining, walking and attending social affairs together. The camera has caught them together several times and both always look supremely happy.

May Collins is a pretty little brown-haired miss whose screen career following a successful stage career. She was recently made leading woman in Goldwyn pictures and her recent work has been very highly praised. Due to the rumored romance, it is said, Miss Collins' new picture has been changed to "All's Fair in Love."

Mildred Harris and Charlie Chaplin were but recently divorced and rumor has already coupled her name with that of Jack Pickford.

Young Woman's Missionary Auxiliary of Calvary Reformed church will meet Tuesday at 7:30 p. m. with Miss Helen Edstrand. The study of the last chapter of the book, "Serving the Neighborhood" will be taken up. Miss Edstrand will favor with a piano solo; Miss Annie Somers will sing and Miss Irene Cover will give a discussion of the book, "Lampglitters Across the Sea."

Mr. and Mrs. H. O. Bentley and daughters Misses Jane and Mary Esther, Lakewood-ave. are home from a several days' stay in Detroit.

Mrs. Frank Graham, W. McKibben-st. is home from a week's stay with her daughter Mrs. Carl Wagner, Toledo.

Noah Binkley spent the week-end at Russell's Point.

Mr. and Mrs. H. O. Bentley and daughters Misses Jane and Mary Esther, Lakewood-ave. are home from a several days' stay in Detroit.

WIFE RESENTS INTERFERENCE

Don't Like Mother-in-Law Telling Her What to Do

"Rose" Has Friend Who Doesn't Know Value of Clean Teeth

"Mrs. Youngwife" Asks Suggestions for Entertainment

Dear Miss Smart: I AM a young married woman of 29 and at times become very much provoked with my husband's mother. I guess she thinks I don't know anything and she is always com-

ing to our house and telling me how to do this and not to do that, etc. It makes me very angry and I don't feel like asking her to leave. What would you advise me to do?

MRS. A. B. C.

While she may not seem very tactful, I really think that your mother-in-law's attitude indicates a spirit of helplessness rather than criticism.

She realizes that you are very young and probably have had little experience in the managing of a home, and thinks that she is justified in suggesting little things in which you can economize and make the best of your resources. Try to take the suggestions in a friendly spirit and profit by them.

No matter how difficult it may seem, you should try to be cordial and amiable to your husband's family at all times. If you are invariably tactful and considerate in this respect, they will surely show on the same courtesy and consideration. Never do anything to antagonize them or induce their ill will, as you will at some time regret it.

Dear Miss Smart: (1) My husband and I have decided to give a six o'clock dinner and a social evening to a few of our friends and relatives on our first wedding anniversary. Now, as I am not a great hand at entertaining or fixing up nice lunches, I am going to ask you for a few hints on the subject. What would you advise me to have for dinner? Something not too expensive to fix and yet quite appropriate for the occasion. (2) Also, what would you suggest for the evening's entertainment, besides just sociability for people who are not very well acquainted with one another.

MRS. YOUNGWIFE

(1) You might serve a cold roast, creamed potatoes, peas, salad of some kind (if you so desire), hot rolls and coffee, ice cream, strawberries and cake. (2) The evening might be enjoyed in dancing, cards, music, contests or various other amusements.

Dear Miss Smart: (1) I am a girl 18 years old and am five feet tall. How much should I weigh? (2) What is the correct pronunciation of Pebecco? (3) What kind of a dress would be proper to wear to a public dance? (4) Could you suggest a way that I might earn some pin money? I go to high school. (5) What do you consider necessary for the spring and summer wardrobe for a girl of 18? (6) I have a friend who doesn't seem to know the value of clean teeth. Is there any way that I might get her to clean her teeth without insulting her?

ROSE

(1) Between 100 and 105 pounds. (2) Pe' be cco. (3) Any kind of a little informal dress, providing it is not too fussy. A satin or taffeta would look very well. (4) Probably the easiest way for you to earn money would be to do various things around the home—helping with the dishes, the meals or the mending. (5) Much depends upon the circum-

stances of the girl's parents. It is much nicer to have a few good clothes than a number of inexpensive ones. A girl of 18, like all other young girls and women, should have appropriate dresses for all occasions—school, street wear, evening, etc. She should also have a good supply of dainty lingerie. (7) This is a very delicate subject, one which you must be very careful to say nothing to hurt the feelings of this negligent person. You might make a casual remark that you have just tried some new tooth paste and ask your friend if she ever tried it. Say that you find it splendid and wish that she would sample it also. Then she might understand and see what a serious mistake she has made in neglecting her teeth.

"THE ORIOLE"

By BOOTH TABKINGTON

Florence made it clear to them that henceforth she was sole editor of the "North End Daily Oriole." (She said she had decided not to change the name, after all.) She informed them that they were to be printers, nothing more; she did not care to get all ink and nasty, she said. She would, however, do all the writing for her newspaper, and she would turn out the news, and it would be printed just as she wrote it, and printed nicely, too, or else—

"Look out!"

Henry and Herbert had both stopped "speaking" to Patty Fairchild, for each believed her treacherous to himself, but Florence now informed Herbert that far from depending on mere hearsay, she had in her possession the confession of his knowledge that he had been writing in his own hand and signed with his complete name—that she had discovered the paper where Patty had lost it, and that it was now in a secure place.

PATTERN FOR TODAY

PRETTY GOWN FOR CALLING OR HOME WEAR

For this attractive model Ladies' waist 3612, and Skirt 3220 are combined. The waist is cut in 7 sizes: 34, 36, 38, 40, 42, 44 and 46 inches bust measure. The skirt is cut in 6 sizes: 22, 24, 26, 28, 30, and 32 inches waist measure. Its width at the foot is 1 3/4 yard. The panel which is finished in Turkish hem effect, may be omitted. To make this model for a medium size will require yards of 38 inch material. Crepe, tulle, satin, foulard, rayon de chene, linen and taffeta are good for this model.

This illustration calls for two separate patterns which will be mailed to any address on receipt of 10 cents for each pattern in silver or stamps.

and in an envelope, upon the outside of which was already written: "Wallie Torbin, Kindness of Florence A."

Herbert collapsed. So did Henry Rooter, a little later that evening after a telephoned conversation with the slave-driver.

The two miserable printers were back in their places the next afternoon.

And on Saturday the new "Oriele," now in every jot and tittle the inspired organ of feminism, made its undeniably sensational appearance.

A copy, neatly folded, was placed in the hand of Noble Dill, as he set forth for his place of business, after lunching at home with his mother. Florence was the person who placed it there—without charge. She came hurriedly from somewhere in the

neighborhood, out of what yard or alley he did not notice, an dislipped the little oblong sheet into his lax fingers.

"There!" she said breathlessly. "There's a good deal about you in it this week, Mr. Dill, and I guess—"

"What, Florence?"

"I guess maybe you'll—"

She looked up at him shyly, then, with no more to say, turned and ran back in the direction whence she had come—ad was gone.

Noble walked on, not at once examining her little gift, but, carrying it absently in fingers still lax at the end of a dangling arm. There was no life in him for anything, Julia was away.

Presently he observed that his fingers held a sheet of printed paper; and he remembered Florence.

Instead of pressing his brow he unfolded the journal she had thrust upon him. As he began to read, his eye was lusterless, his gut slack and dreary; but soon his whole demeanor changed, it cannot be said for the better.

POEMS

MY SOUL, by Florence Atwater. When my heart is dreary

When my soul is weary As a bird with a broken wing Who never again will sing Like the sound of a vast amen That comes from a church of men.

When my soul is dreary It could never be cheery But I think of my ideal And everything seems real Like the sound of the bright church bells peal.

Poems by Florence Atwater will be in the paper each and every Saturday. Atwater & Co., 127 South Iowa St. Steam Pumps.

NEWS OF THE CITY

The MR. Rayfort family of this City have been present with the

present of a new Cut by Geo. the man employed by Half & CO. This cut is perfectly beautiful.

Miss Julia Atwater of this City is visiting friends in the South. The family have had many letters from her that are read by each and all of the family.

Mr. Noble Dill of this City is in business with his Father.

From letters to the family Miss Julia Atwater of this City is enjoying her visit in the south a great deal.

Miss Patty Fairchild of the 7 A of this City, will probably not pass in Arithmetic unless some improvement takes place before Examination.

Miss Julia Atwater of this City wrote a letter to the family stating while visiting in the South she has made an engagement to be married to MR. Cram of that City. The

family do not know who this Mr. Cram is but it is said he is a widower though he has been divorced with a great many children.

Young Girls Need Care

FROM the age of twelve a girl needs all the care the thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time.

If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter make life easier for her.

Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions. It can be taken in safety by any woman, young or old.

Read How These Mothers Helped Their Daughters

Guttenberg, N. J.—"My daughter was all run down and had fainting spells often, had a bad complexion, and suffered at her monthly periods. Her grandmother had been taking Lydia E. Pinkham's Vegetable Compound for the Change of Life, and got a bottle of it for her. She began to improve with the first bottle and took five in all and was entirely restored to health. For a time she had not been able to attend school, but she does now. She recommends Lydia E. Pinkham's Vegetable Compound to her friends and I give you permission to publish this letter as a testimonial."—Mrs. CATHERINE MCGLOVE, 804 24th St., Guttenberg, N. J.

Roxbury, Mass.—"My daughter is a schoolgirl and she suffered very much with irregular periods, painful cramps and dizzy headaches. She was sometimes as long as three months between her periods and when they came she was not able to do her school home lessons because she could not even sit up. A copy of one of your little books was left in my letter-box and she began to take Lydia E. Pinkham's Vegetable Compound for her troubles. She is now in good health, is regular and can help me with the housework when not in school."—Mrs. VICTORIA G. SWEENEY, 14 Bragdon St., Roxbury, Mass.

RYAN-SULLIVAN FIGHT HERE WEDNESDAY NIGHT

JOE DOWNEY IS TO CHALLENGE WINNER--TURNER IS LEARY

By BILL BARLOW

Much more than ordinary interest is being aroused over the fight here tomorrow night when Joe Sullivan, Toledo, meets Frankie Ryan, of Cincinnati, in the main go. It will be a 12-round decision contest.

Both fighters are Irish heavyweights, and are evenly matched. Beyond doubt, they should put up one of the stiffest bouts staged here in many moons.

In the semi-final, "Big Iron" Turner, of Lima, and "Speck" Kasler, Delphos, will fight for eight rounds. As much interest has been created over this bout as the main go.

It is understood that many bets have been placed by followers of Turner, that he will get beat.

Kasler is a corner. He has been boxing but a short time, and shows the markings of developing into a clever artist with his milt.

NEWTON HIS TRAINER

Johnny Newton, professional boxer, took him over and has been training him consistently for the past three months.

The only trouble with Kasler is that he is too much of a gentleman in the ring. He always likes to shake hands with his opponent about every two minutes to keep up good feeling, or something like that. "Buck" Kelly, of Lynn, Mass., and Ted Robinson, of Port Wayne, will fight in a 6-round preliminary. These two boys have long passed the preliminary stage, but were signed up by promoters Carl Gregory and Matthew McCallie so that the show would not start off in a drab manner.

RELIEF OF IRISH

A percentage of the proceeds of the fight will be turned over to the local committee of the American association for the Recognition of Irish Freedom.

Decorators were busy at Memorial Hall Tuesday, trimming the interior in green in commemoration of the Emerald Isle.

Arrangements are being made to run for one of the largest crowds that ever attended a fight here. Both fighters are backed by good reputations, and fans may rightly expect a slam bang affair from the time the two big Irishmen crawl under the ropes.

TO ACT AS JUDGES

It is likely that two members of the boxing commission will act as judges.

Joe Downey, Columbus, and his manager, John Downey, were in Lima Monday thinking the bout was to be held last night. They will return Wednesday night, and will undoubtedly challenge the winner of the Sullivan-Ryan bout.

Downey is anxious to meet either Sullivan or Ryan. He met Ryan over a year ago, and at that time lost the referee's decision. Revenge is what he's after, and he stated he would be pleased to fight the challenge of Lima.

TICKET SALE LIVELY

Reserved seat tickets were placed on sale last week, and general admission tickets were offered for sale Monday. They are going fast, and from present indications the house will be well filled.

Tickets can be secured at the Manhattan cigar store, W. High-st., at any time before six o'clock tomorrow evening.

Several large mail orders from Lima and out-of-town have been received. A delegation of 20 fight fans of Toledo are going to motor thru Wednesday afternoon. Delphos will be represented by over a score of fight fans from the neighboring city. Spencerville, Van Wert and Wapakoneta will be well represented as the advance sale of tickets indicates.

For the benefit of fans living on the South Side, tickets have been placed on sale at R. H. Marshall's sporting goods store, corner of Main and Kibby-sts.

POOR STUFF!

NEW YORK.—After the Reds drove Fred Toney off the hill by a routed rally in the fifth frame of the contest at the Polo Grounds Monday afternoon, their defense, as usual, was too weak to enable them to hold their well-earned lead, and they blew the game in the next few minutes.

Cumbe had not allowed a hit in the first four rounds, but the minute the team acquired a two-run lead for him the determined and formidable Giants found his offerings without delay. Immediately following the Reds' fine rally came the enemy's one of even larger proportions, and the Red advantage was wiped off the map in a hurry.

The score was 7 to 1, and it was the third straight defeat for our struggling athletes at the hands of the skillful and merciless Giants.

Innings: 1. 2. 3. 4. 5. 6. 7. 8. 9. Cincinnati: 0. 0. 0. 1. 0. 0. 0. 0. 1. New York: 2. 0. 0. 0. 0. 0. 0. 0. 7.

Two-Base Hits—Bressler, Brown and Roush.

Three-Base Hits—Bressler.

Home Run—Sweeney.

Stolen Base—Barnes.

Sacrifice—Roush.

Double Play—Rapp, Pritch and Kelly.

Left on Base—New York, 5; Cincinnati, 5.

Bases on Balls—Off Toney, 1; off Ryan, 1; off Cumbe, 1; off Pritch, 1.

Hits—Off Toney, 6 in 6 innings; off Ryan, 2 in 4 innings; off Cumbe, 6 in 1 1/2 innings; off Barnes, 1 in 1 1/2 innings; off Pritch, 1 in 2 1/2 innings; off Rapp, 1 in 2 1/2 innings.

Struck out—By Cumbe, 1; by Napier, 1; by Rapp, 1.

Wild Pitch—Napier.

Winning Pitcher—Toney.

Lossing Pitcher—Cumbe.

Umpire—Bremer and Emdie.

Time—1:12.

MOTHERS—See us for your Stork. For the BABY. We have the BEST for the LEAST—Hoover. Wash. Co.

FIGHTS TURNER IN LIMA WEDNESDAY

"SPECK" KASLER

Meet "Speck" Kasler, the 143-pound Delphos boy who is scheduled to fight "Big Iron" Turner here tomorrow night. He is under the training and management of Johnny Newton, and shows the markings of developing into a clever milt artist.

Kasler has recently put up several good fights and his followers predict that not many more months will pass before he will pass to the main go ranks.

When he meets Turner tomorrow night, fans may expect to see some lively fighting. He wants to land the Lima pug a severe beating, and is in condition to do it.

TENNIS MEET IS IN FULL SWING NOW

Three matches were played in the Central 11 tennis tournament, Monday evening, after the postponements of last week, due to rain. Results were: Hunter and C. Taylor were defeated by Adams and King, 6-2, 6-6, 6-4. Hunter and Taylor easily won their first set but were unable to connect in the last two frames.

Sedley and Dexter won from J. Hawisher and Taffinger, 6-1, 7-5. The second set was one of the hardest fought in the history of the tournament and Woodcock easily won their match with Merkle and Pew, 6-2, 6-2. Tuesday, T. Taylor and Baanister will play here, and Hawisher and Dille and Cunningham will meet Fritz and Woodcock. After tonight's games there will be only one more match to be played in the first round.

Despite the postponement of last week, the schedule has been arranged so that it will close on schedule time. The finals will be played on May 26th. Immediately following the close of the doubles tournament, a single tournament will be started.

GAMES TODAY

National League
Cincinnati at New York.
Chicago at Boston.
Pittsburg at Philadelphia.
St. Louis at Brooklyn.
American League
Philadelphia at Chicago.
New York at Cleveland.
Washington at Detroit.
Boston at St. Louis.
American Association
Columbus at Milwaukee.
Toledo at Kansas City.
Indianapolis at Minneapolis.
Louisville at St. Paul.

PADDOCK NOT TO COMPETE IN EAST

LOS ANGELES, Calif.—If any eastern track men want to race against Charles Paddock, University of Southern California sprinter, and claimant of several world records, he will meet them at the National A. U. meet in Pasadena, in July, he said in a statement made public here today.

Paddock said that because of an illness, which has kept him at home for three weeks, and because he must devote his time to his school work for the remainder of the college year, he could not go east to take part in meets there. However, he said, he is anxious to meet eastern men at the Pasadena track meet, in which he will participate.

SPORT WIRE BRIEFS

CHICAGO.—A special invitation was sent today to Western and Eastern colleges to enter an inter-collegiate golf tournament to be held at the Indian Hill club by Northwestern University on June 21-24. Each university will enter a four man team, and conference eligibility rules will be in force.

COLUMBUS.—Bob Martin, heavyweight boxing champion of the American Expeditionary Forces, has been matched to meet Ned Carpenter, of Milwaukee, here next Monday night. Carpenter is under the management of Tom Andrews of Milwaukee.

NEW YORK.—Corporal Dan Toomey, lightweight boxing champion of the army, and Sergeant Harry Sharpe, will meet in a ten round bout tonight. Seven other bouts, each scheduled for six rounds, will bring together leaders in all the other classes among soldiers in the second corps and third corps areas.

CINCINNATI.—K. O. Mars, Cincinnati, and Johnny Ray, Pittsburgh, lightweights, finished on even terms in a ten-round scrap here last night. Mars scored the most points but lost this advantage thru frequent holding. There were no knockdowns, but in the sixth Ray had Mars groggy. That was the only round in which Ray had a decided advantage. In the semi-final, Battling Chink, Cincinnati, knocked out Bobby Moon, Gary, Ind., in the third round. They are bantams.

MILWAUKEE.—Wis. Ritchie Mitchell was knocked down four times in his battle with Johnny Mondschult, Wisconsin champion. He finally punched his way into a draw.

SAN FRANCISCO.—Jake Schaefer, San Francisco, established a

RACE DRIVERS COME WITH CARPENTIER

NEW YORK.—Albert Guyot and Louis Hughes, racing automobile drivers, have arrived from France and will enter the Indianapolis Motor Speedway. Both were in the event last year.

They are friends of Georges Carpentier, the European heavyweight boxing champion, and were his fellow passengers on the steamship LaSavole, which arrived yesterday.

DOWN WE GO!

CLEVELAND.—Mails' error of omission in the first inning and of commission in the ninth caused Cleveland to lose its third straight game to New York. Monday's score being 6 to 2. During the remainder of the game the southpaw had the Yankee batters at his mercy. Carl Mays made his first appearance here since he threw the ball which killed Shortstop Ray Chapman at the Polo Grounds last August. He was greeted with applause when he went to bat the first time. Score:

Innings: 1. 2. 3. 4. 5. 6. 7. 8. 9. New York: 3. 0. 0. 0. 0. 0. 0. 0. 6. Cleveland: 0. 2. 1. 0. 0. 0. 0. 0. 0. Errors—Stephenson 2. Mails 1. Two-Base Hits—Schang, Speaker, Gardner, Stephenson. Three-Base Hits—Ruth. Home Run—Meusel. Stolen Base—Baker. Sacrifice Hits—Baker, Schang, Roth, Smith. Double Play—Stephenson, Sewell and Johnson. Left on Base—New York, 7; Cleveland, 9. Base on Balls—Off Mays, 3; Off Mails, 2. Struck Out—By Mays, 7; by Mails, 5. Wild Pitch—Mails. Umpires—Wilson, Dineen and Mallin. Time—Two hours.

BOY KILLED BY A FOUL BALL HIT

BLOOMINGTON, Illinois.—Stanley Rivett, age 9, was killed when he was struck over the heart by a foul ball during a game played at Streator Monday afternoon. The boy was sitting along the third base line when a batted ball struck him.

13 RACES TO BE STAGED AT MEET

PHILADELPHIA.—Thirteen races will comprise the program of the seventeenth annual regatta of the American Rowing Association, known as the American Henley, which will be rowed May 28 over the one mile, 550 yard course on the Schuylkill river.

One of the features will be a race for navy cutters, manned by twelve oarsmen, six on each side of the boat. A cup to be awarded the winning crew in this contest has been dedicated by the stewards of the association to the memory of Lieutenant Commander Richard M. Elliot, Jr., U. S. N., who lost his life while serving on the destroyer Mantley during the world war. Five crews of the Atlantic fleet, those from the battleships Nevada, Arizona, Oklahoma, Delaware and Columbia, are among the entries.

The other events include single, double and four oared sculls, and four and eight oared shell races.

PRINCETON, N. J.—The combined Oxford and Cambridge track team will meet a combined team from Princeton and Cornell in a dual meet at New York, on or about July 29. Receipt of a cablegram accepting the invitation of the American Universities was announced here last night by Dr. C. W. Kennedy, chairman of the Princeton track committee.

Federal Bread, 12c.

COPS WANT TEA BUT CHIEF DOES NOT FAVOR IT

Members of Lima's police department want to organize a baseball team again this season.

Chief Roush objects, declaring that after playing the are too tired to properly perform their official duties.

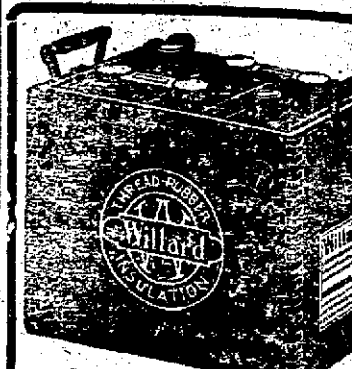

That may be the case for a while, but every man on the force needs some honest-to-goodness exercise and baseball is just what.

It will keep the men fit, and after they get hardened to the game it will be a great element toward bettering the physical condition of every "bobby."

The men have been practicing several afternoons each week at Murphy-st ball park, and have a cracking good team. Captain Dawson is being considered as manager, should the chief decide to permit a team to be organized.

Roush should see the benefit that will be derived from the sport, and give his consent to the cops.

OPEN SHOP URGED AT CONVENTION

Advocated by Head of Manufacturers' Association

SEES GROWING SUPPORT

Also Favors Abrogation of Rail Agreements

NEW YORK.—(By Associated Press.)—Abrogation of the national labor adjustment agreements on the railroads, support of the "open shop," and the enactment of a sales tax law, were urged by Stephen C. Mason, president of the National Association of Manufacturers, in his annual message delivered today at the association's twenty-sixth annual convention.

"The infamous national labor adjustment agreements," said Mr. Mason, "which were inherited by the carriers out of the war-time period of government operation and the coincident uneconomic high railway wage burdens have been the chief causes of the deplorable transportation conditions which have existed during the past year."

"In my opinion," the Esch-Cummings act of 1920, has more than justified its enactment in every respect.

"I believe the time has come, when, if the railroads are to be efficiently and economically operated in accordance with the provisions of the transportation act of 1920, normal conditions of employment must be restored. The recent action of railroad labor board in decreasing the abrogation of the war-time national agreements, unquestionably did much to clear the way for a practical solution of the labor problems of the railroads."

The speaker declared that the "open shop" had gained a greater measure of public support and recognition than ever during the past year.

REPORT REVOLVER STOLEN

C. L. Rutter, of 656 N. Union-st., reported to police that someone entered his former home at 633 N. Jackson-st. Monday and stole a revolver. He moved part of his household goods to his new home on N. Union-st. Saturday, and left some articles at the N. Jackson-st. address over Sunday.

"BIG BILL" HAYWOOD WILL RETURN TO SERVE PRISON SENTENCE

LONDON.—(By United Press)—William D. Haywood will return to the United States to serve his 20-year sentence in Leavenworth prison, he declared today, in an exclusive statement wirelessly to the United Press from Moscow.

The L. W. W. leader, whose disappearance brought bitter criticism from associates who were also under sentence for hampering the nation's war activities, announced he will return after the third international and other conventions have been held in Moscow. Haywood's bondsmen will not suffer loss, he said. (Copyright, 1921.)

(By WILLIAM D. HAYWOOD)

MOSCOW.—(By Wireless to The United Press).—Here is my story.

On March 3, I retired to the home of friends in New York. Three weeks later I arrived in Moscow.

I shall remain here for the convention of the Third Internationale and other meetings.

I will return to the United States without question.

If I cannot return before my bond is cancelled, the government may have its equivalent of a pound of flesh which friends deposited for my appearance. But my bondsmen will not suffer financial loss from the cancellation of the bond.

(Copyright, 1921.)

G. O. P. FACTIONS IN TEST FIGHT

Progressive Wing Opposes Confirmation of Harding Man

WASHINGTON.—(By United Press).—The struggle with the Republican party between the progressive and stand pat wings may be brought to a settlement, thus the fight being made against senate confirmation of Frank A. Linney, President Harding's nominee for United States district attorney for western North Carolina.

Progressive leaders today regard the Linney case as likely to be of the utmost importance in determining just how strong the progressives are in their own party. Borah, Johnson, Kenyon and other progressives intend they said today, to make a flimsy fight on Linney.

They don't want him confirmed, because it is alleged as chairman of the Republican state committee, he became party to an understanding that negroes were to be eliminated from politics in spite of the constitution and laws. That is the substance of the as yet unproved charge against Linney. If the charge is disproved, and Linney states he intends to uphold the law, much of the progressive opposition to him will vanish.

Further, the progressives contend Linney was in part responsible for the switch of some North Carolina delegates to the Republican national convention in Chicago away from Johnson, after he won the presidential preference primary in North Carolina. They will fight him on that ground.

WORLD NEWS

COLUMBUS—Ollie Reeb, former baseball player with Milwaukee American Association club, was given an indeterminate sentence in the Ohio Reformatory, after being found guilty of burglarizing a drug store.

CAMP SHERMAN—Private John Grzywaczewski, of Detroit, Mich., was probably fatally injured when a building he was helping move at the rifle range fell on his back.

PIQUA—Frank Pooler, 55, a farmer, committed suicide by shooting himself with a rifle.

TOLEDO—U. S. S. Gopher and Yantic, under command of Captain Anthony Fricklett, commandant of the naval reserve sub-district, embracing Ohio and Kentucky, with naval reservists aboard, left Toledo harbor on first summer cruise. The S. C. V., 33 from Cleveland, will join the two named vessels.

COLUMBUS—More than 1,000 miners employed in the Hocking fields by the Pittsburgh Coal Company, who have been laid off, returned to full time work, company officials announced.

TOLEDO—After pleading guilty

to slaying and robbing Edward Smith on April 2, Ira Marcus, Sidney Vaughtan and Henry A. Robare were taken to the Ohio penitentiary to serve life sentences.

TOLEDO—Eighty lodges will be represented at the convention of the Ohio State Federation of Machinists which opens here Friday.

PORT CLINTON—Election by a vote of 244 yes to 174 no, carried a project to build a \$125,000 high school building.

LORAIN—Fifteen persons were arrested in raids on soft drink establishments. They are charged with violating the Crabbe act.

AKRON—Edward G. Wilmer, Milwaukee, recently elected president of the Goodyear Tire and Rubber Company, assumed control.

INDIANAPOLIS—Principal officers in the United Brethren church were granted a forty per cent increase of salaries, by delegates attending the church's twenty-eighth quadrennial conference here.

WASHINGTON—For April, whole sale prices showed a decline of five per cent over March and 42 per cent from April 1920 according to figures of the department of labor.

FRANKFORT, KY.—Governor Morrow asked war department to send federal troops to the Tug river district.

BUFFALO—New York Central railroad company's engineers and firemen rejected the company's proposal to cut wages.

OFFICERS ELECTED BY WOMEN'S UNION

TOLEDO—The proposed increase in salaries of grand officers and acceptance or rejection of the revised constitution is the order of business for the Swilchen's Union of North America today.

The women's auxiliary which held its convention in connection with the union elected the following officers:

President, Mrs. Henrietta Clark, Kansas City; vice-president, Mrs. Grace Parker, Minneapolis; secretary-treasurer, Miss Margaret McCarthy, St. Louis.

The new board of directors consists of Mrs. Anna Welch, Buffalo; Miss Mary A. Casey, St. Paul and Mrs. Anna Monroe, Chicago.

TRAVELERS—See us for your luggage. We have the BEST for the LEAST—Hoover-Roush Co.

FRANCE READY TO COMPROMISE

Seeks Harmony With Britain in Silesian Dispute

PARIS.—(By United Press).—The French government today indicated semi-officially a desire to restore harmony with Great Britain.

While Premier Briand met with his cabinet to draft his views on the division of Upper Silesia, declaring he would not abandon his support of a partition which would give the bulk of the coal lands to England, it was indicated that he would be willing to compromise.

With these developments the tension eased noticeably. The press was less violent in its assaults upon Premier Lloyd George and public discussion was more temperate.

Indications were that the government will show its readiness to agree with Great Britain on the awarding of several cities to Germany, cancelling plans to give them to Poland. It was indicated that Italy may be asked to suggest a plan of partition which can be accepted by her allies without loss of dignity. The international plebiscite was asked to submit its report by Saturday.

WAR VETERAN MEASURE TAKEN UP BY COMMITTEE

WASHINGTON.—The house is expected to begin consideration within a few days of the Sweet bill to consolidate various government agencies dealing with relief for war veterans.

The measure was taken up today by the commerce committee.

A sub-committee, headed by Representative Sweet, Republican, Iowa, author of the bill, already has heard the views of representatives of burials that would be affected, and of veterans' organizations.

The measure provides for consolidation in one bureau under the treasury department of the war risk insurance bureau, the rehabilitation division of the board for vocational education, and sections of the public health service that deal with sick and disabled ex-service men.

Something in me seems to say, "Get Blue Devil this very day."

MUTT AND JEFF—BEING DEMPSEY'S SPARRING PARTNERS IS NO JOB FOR THEM—

BY BUD FISH

SHORT SHAVINGS

A boy of eight entered the willow box in tremendous boots, long trousers rolled up so that the baggy

knees were at the ankles, and a swallow-tail coat that swept the floor.

"Why are you dressed like that?" asked the judge, both amazed and amused.

The boy took from his pocket the summons and pointed solemnly to the words: "To appear in his father's suit."

A lady was sitting in the garden with the family stocking basket beside her, and was examining the holes in her little boy's socks, when the old gardener came by with his wheelbarrow. "What beats me," he remarked, "if you ladies. Always lookin' for what you don't want to find!"

"Daddy," piped the little darling, "is the sea a mile deep?"

Daddy, who was also an editor, glanced up irritably from a huge pile of manuscript. "I don't know!" he snapped.

For good potatoes call Piper's.

Keep your sink as sweet as your disposition—use Blue Devil.

TRAVELERS—See us for your luggage. We have the BEST for the LEAST—Hoover-Roush Co.

MISS COLLINS, EXPERT CORSETTIER, IS DEMONSTRATING BINNER CORSETS THIS WEEK AT BLUEM'S.

Federal Bread, 12c.

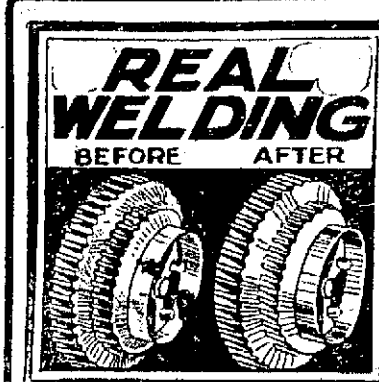

The little darling looked disappointed. A little later he asked: "Is the moon really made of cheese, daddy?"

Again came the response: "I don't know!"

Another look of disappointment, another silence, and another question: "Do cannibals use postage stamps?"

No less savage than the cannibals themselves was the distracted manuscript reader as he roared, for the third time: "I don't know!"

"Well, I say, daddy," exclaimed the youthful inquirer, very seriously, "who made you an editor?"

HOW WE SAVED AUTO OWNER \$46

His gears were stripped. To remove the wheel required tearing the engine down. This would cost \$46, according to estimate. So we welded the gear right on the block in the machine. It cost him \$14. We can save you money on any kind of welding.
